

Minimal Simply V-6050

Con stopper visibili

With visible stoppers

Mit sichtbaren Stopperrn

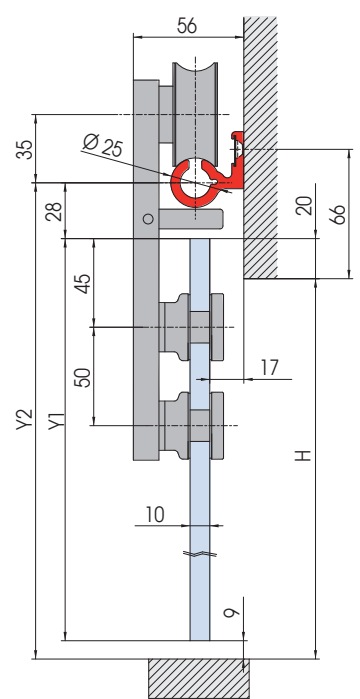

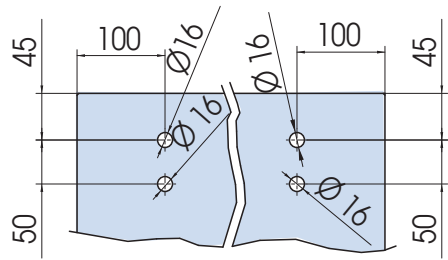

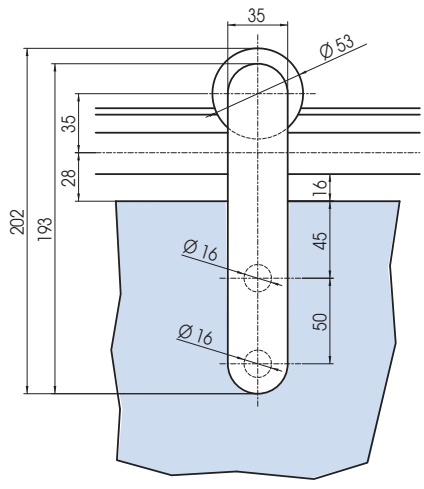

Solo i fermi, quasi a fare da contrappunto ai carrelli, spuntano dalla superficie lineare e curva a un tempo, della barra di scorrimento: come antiche pietre millari, fissano misura e confine al movimento.

Only the stoppers, almost acting like counterpoints to the trolleys, come out from the linear and formerly curved surface of the sliding bar: like ancient milestones they fix the measure and limit of the movement.

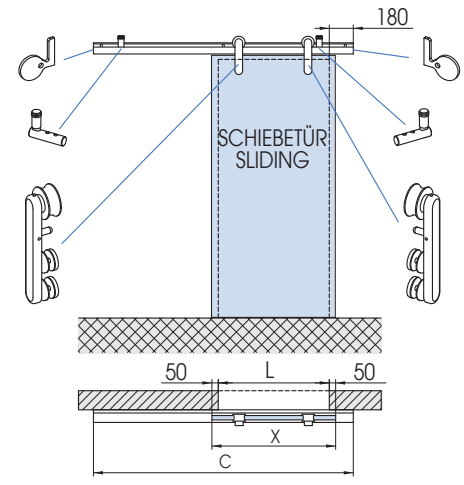

Nur die Stopper tauchen aus der geradlinigen runden Form der Laufschiene auf: Wie uralte Meilensteine beenden sie hier den Weg der Bewegung.

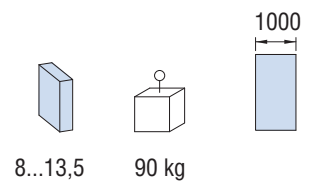

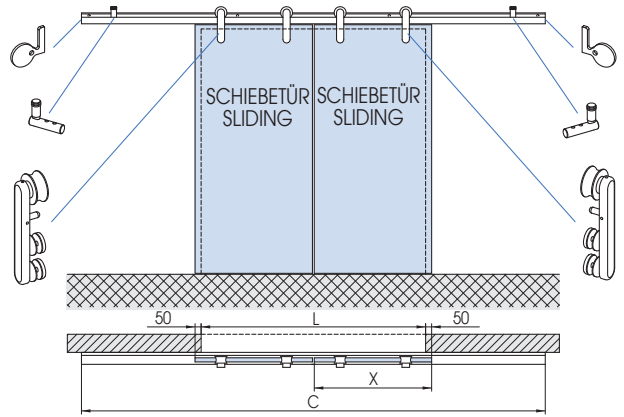

V-6050 set 1

$Y1 = H (\text{luce}) + 20 - 9 (\text{aria})$

V-6050 set 2

AN = Alluminio anodizzato
Anodized
Aluminium Silberfarbig
